The Honorable Board of Supervisors  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**AUTHORIZATION TO AMEND DEPARTMENT OF MENTAL HEALTH  
LEGAL ENTITY AGREEMENTS WITH EXISTING PROVIDERS TO REBASE  
THE COUNTY GENERAL FUND ALLOCATIONS  
FOR FISCAL YEAR 2006-07  
AND  
APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT  
(ALL SUPERVISORIAL DISTRICTS)  
(4 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Authorize the Director of Mental Health or his designee to prepare, sign, and execute amendments, substantially similar to Attachment I, effective upon Board approval, to existing Department of Mental Health (DMH) Legal Entity (LE) Agreements as detailed in Attachment II for the rebasing of County General Fund (CGF) allocations identified in existing Maximum Contract Amounts (MCA) for services to the uninsured and those eligible for benefit programs. The rebasing will realign the match and non-match CGF to allow contract providers the ability to draw down additional revenues for services to clients eligible for benefits in Fiscal Year (FY) 2006-07.
2. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to these LE Agreements, provided that:  
1) the County's total payments to a contractor under each Agreement for each applicable fiscal year shall not exceed an increase of 20 percent from the applicable revised MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to

*"To Enrich Lives Through Effective And Caring Service"*

any such Amendment; 5) County and contractor may, by written amendments, reduce programs or services and revise the applicable MCA; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

3. Approve the Request for Appropriation Adjustment (Attachment III) for FY 2006-07 in the amount of \$2,888,000 to increase Services and Supplies to provide spending authority for DMH LE Agreements. This appropriation adjustment is fully funded with Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Federal Financial Participation (FFP) Medi-Cal in the amount of \$505,000, EPSDT-State General Funds (SGF) in the amount of \$425,000, Non-EPSDT-FFP in the amount of \$1,449,000, and Healthy Families revenues in the amount of \$509,000.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Board approval of the recommended actions will enable existing DMH providers the ability to draw down additional FFP, SGF, and Healthy Families revenues by realigning the match and non-match CGF within their respective contracts consistent with the services provided to those eligible for benefit programs and the uninsured. This will align the use of contract dollars based on actual services delivered.

#### **Implementation of Strategic Goals**

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan's Organizational Goal No.1, "Service Excellence," Goal No. 3, "Organizational Effectiveness," and Programmatic Goal No. 7, "Health and Mental Health." These actions are expected to improve the delivery, efficiency, and effectiveness of mental health operations.

#### **FISCAL IMPACT/FINANCING**

There is no increase in net County cost.

The Request for Appropriation Adjustment for FY 2006-07 in the amount of \$2,888,000 will increase Services and Supplies to provide spending authority for DMH LE Agreements. This appropriation adjustment is fully funded with EPSDT-FFP Medi-Cal in the amount of \$505,000, EPSDT-SGF in the amount of \$425,000, Non-EPSDT-FFP in the amount of \$1,449,000, and Healthy Families revenues in the amount of \$509,000.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

In June 2006, the Board approved the LE Amendment for the 15 percent CGF flexibility as a temporary measure to enable contractor's flexibility to shift CGF among the categories of the MCA. DMH also committed to allow a one-time rebasing of each LE MCA for the FY 2006-07 as the Association of Community Human Service Agencies (ACHSA) and DMH jointly agreed to allow this action to address negotiations that did not occur prior to the finalization of the FY 2006-07 MCA.

The MCAs of DMH LE Agreements categorize the CGF allocations between match and non-match dollars. The distinction between the match and non-match dollars serves as a basis for payment of services provided to mental health clients. ACHSA has voiced the need to realign the CGF allocations based on the client mix of actual clients served. Without the realignment of the CGF allocations, as services are provided to clients eligible for benefits with insufficient dollars allocated to the respective category in the MCA, the contract provider will not receive payment for services until after DMH's reconciliation of the State settlement, which is up to 24 months after the close of the fiscal year. In addition, they may have available CGF allocated in other categories that will not be used. The rebasing of the CGF allocations and the addition of the FFP, SGF, and Healthy Families revenues will allow the contract providers the ability to reflect services based on their respective client mix and receive timely payments for services provided. All legal entity contract providers were given the opportunity to submit proposals to DMH to rebase their CGF allocations within their contracts. As a result, out of the nine (9) contract providers who submitted proposals, eight (8) contract providers were approved and one (1) contract provider's request was withdrawn.

The attached Amendment format has been approved as to form by County Counsel. The CAO has reviewed the proposed actions. Clinical and administrative staff of DMH will continue to administer and supervise the programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and department policies are being followed.

## **IMPACT ON CURRENT SERVICES**

The rebasing of CGF will not interrupt the delivery of, or operations of mental health services and will align County funds according to each contractor's client mix. The shift of funds shall comply with all County, State, and federal regulations for which these categorical funds are given and designated.

**CONCLUSION**

The DMH will need one (1) copy of the adopted Board actions. It is requested that the Executive Officer of the Board notify DMH Contracts Development and Administration Division at (213) 738-4684 when this document is available.
